ACADEMIC PROJECTS

EMDEON DIGITAL SERVICES PVT LTD, KOCHI, KERALA

completed

- **Techze** - Developed a Python-based web application for the Computer Science department, featuring role-specific interfaces for Heads of Departments (HODs), students, and staff. The system enhanced operational efficiency by enabling HODs to oversee department activities, streamlined feedback and leave request processes, and ensured secure data management for staff handling student records.

EMDEON DIGITAL SERVICES PVT.LTD, KOCHI, KERALA

Completed

- **Eventive**-Built a website that unifies event services like decoration, catering, and photography, allowing users to book via message or call and service providers to register and showcase their offerings.
